

The Value of Expressive Watercolor

with Tony Segale

June 21, 22 & 23, 2019
9:00am- 4:00pm

This watercolor workshop is intended to inspire creativity by working outside of your comfort zone.

All concentration will be on composition, without design what else is there?

Through the process of elimination and sometimes addition, we will plan our painting and create value studies. and expressive brush strokes. I will begin with a demonstration of how I proceed, working from photograph, or if weather is willing, we may venture outdoors.

We will work with quarter sheet size, then half or full sheet. Tony will demo for the group, and you will have time to paint, with time for individual guidance. We will finish each day with a small group viewing to truly appreciate the variety and individual styles of each artist.

.The most important tool you will need is a relaxed and fun attitude - the only intimidating part of creating together in the gallery is the ice cream!

Beginning 2019: most of the supplies Tony uses will be available for purchase in the gallery

Tony Segale's - Watercolor Supply List

Paper: 22" x 30", 140lb or 300lb Arches Cold Press.

Arches 300 lb Cold Press is my favorite for abstract works. Thickness of this paper does not lend to wet into wet because it is hard to really soak the paper. However, the paper's sturdiness allows it to stand up to abusive techniques including taping areas.

Paints: Mostly I use **Windsor Newton Watercolors**, nice consistent body. WN colors in my palette are Cadmium Scarlet, Cadmium Orange, Cadmium Lemon, Aureolin, New Gamboge, Quinacrodine Gold, Viridian, Windsor Blue (Green Shade), Cobalt Blue, French Ultramarine Blue, Windsor Violet (Dioxazine), Alizaron Crimson, Permanent Rose, and Burnt Sienna. Also, I use **MaimeriBlu** Turquoise Green. I have used other brands with good success, including Holbein and Daniel Smith.

Palette: My favorite is the **Frank Webb** palette.

Brushes: All my brushes are synthetics, they retain their shapes, take abuse and are great tools. Included in my arsenal are the following flats: 3" **Fibonacci**, 1" and $\frac{3}{4}$ " **Jack Richeson 9010 Signature Series**. Adding rounds, I use **Robert Simmons** series 785 White Sables #4, #8, #12 and a Goliath #36 series 789. For line work I use **Webb Liners** #8 and #12, and for a tiny fine touch I add Cheap Joe's Golden Fleece Round #6. *I have spent too much money on real hair brushes only to be disappointed with the shape retention and durability.*

Sundries: Masonite or Gatorboard cut to size an inch bigger than your paper. You can use plywood, also, but you need to seal it with 4 or 5 coats of sanding or lacquer sealer. Additional supplies to have are bulldog clips, a large cellulose sponge, pan for water, pan for sponge, spray bottle, cloth towel, paper towels, pocket knife or razor blades, and a plastic table cloth.

Sketch Supplies: Intense knowledge and understanding of any subject is best achieved by the artist's sketch. Photography of a subject immediately flattens the image and we lose our five, even sixth senses, of "what it is" within us. Always carry a sketchbook with pen or pencil, minimum size of 7" x 10". For value plans, I use Canson recycled Universal Sketch book, 5.5" x 8.5" and General Woodless Graphite. Any supply questions, email tony@tonysegale.com
